PROBABLE CAUSE STATEMENT

On March 10, 2008, at approximately 9:00 AM, Defendant "Benito ANGELES-Acuna" was encountered and apprehended at the intersection of 49th Street and University Avenue in San Diego, California by an Immigration and Customs Enforcement (ICE) Agent with Detention and Removal Operations (DRO), while pursuing a lead on an ICE fugitive operation. Defendant was taken into ICE custody and transported to the San Diego Field Office for further investigation.

A thorough review of official immigration computer database record checks revealed that the defendant was last ordered removed by an Immigration Judge on or about October 20, 2000 and removed on October 20, 2000, via the San Ysidro Port of Entry, at San Ysidro, California. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System (IDENT) and Automated Fingerprint Identification System (IAFIS) were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as **Benito ANGELES-Acuna**, a citizen and national of Mexico.

All information indicates the defendant is a citizen and national of Mexico having been previously deported from the United States, and has illegally re-entered the United States after deportation, in violation of Title 8 of the United States Code 1326, Deported Alien found in the United States.
